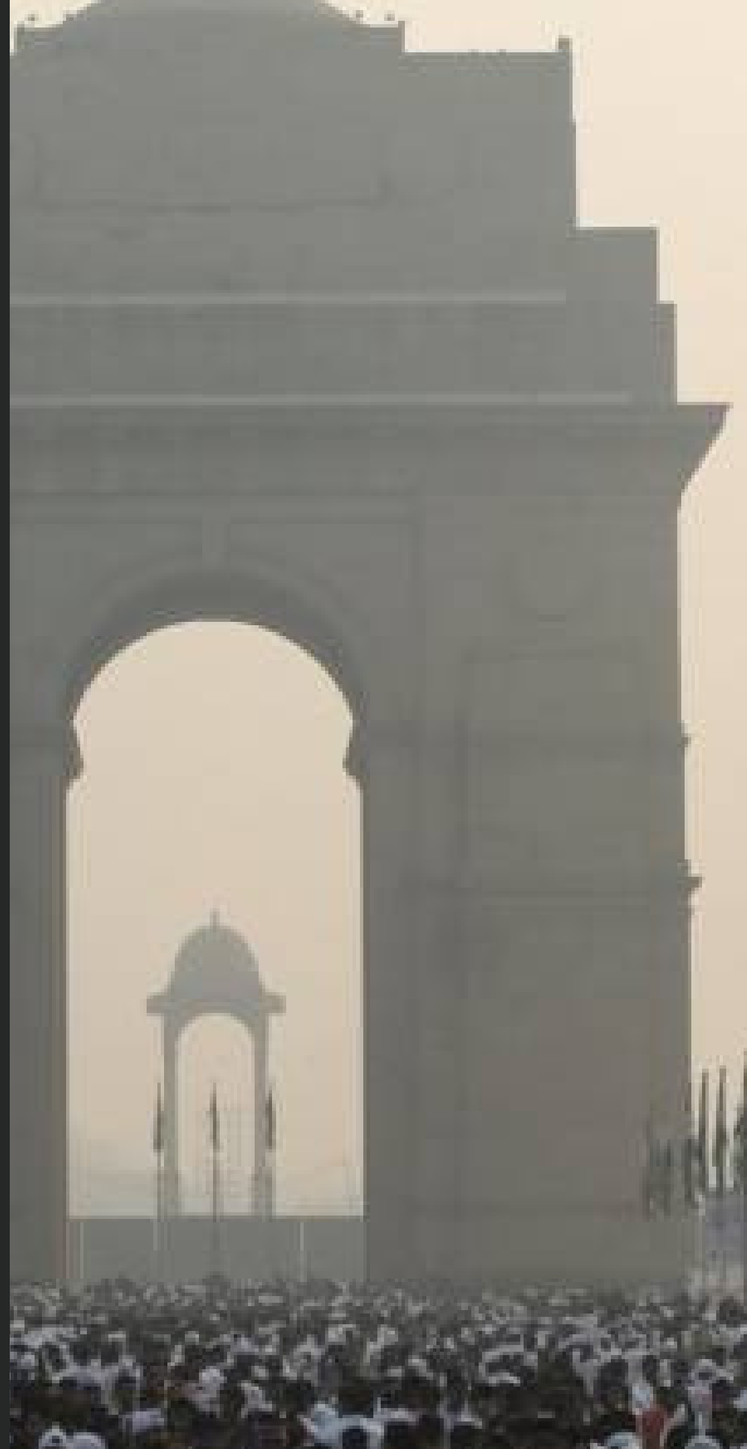
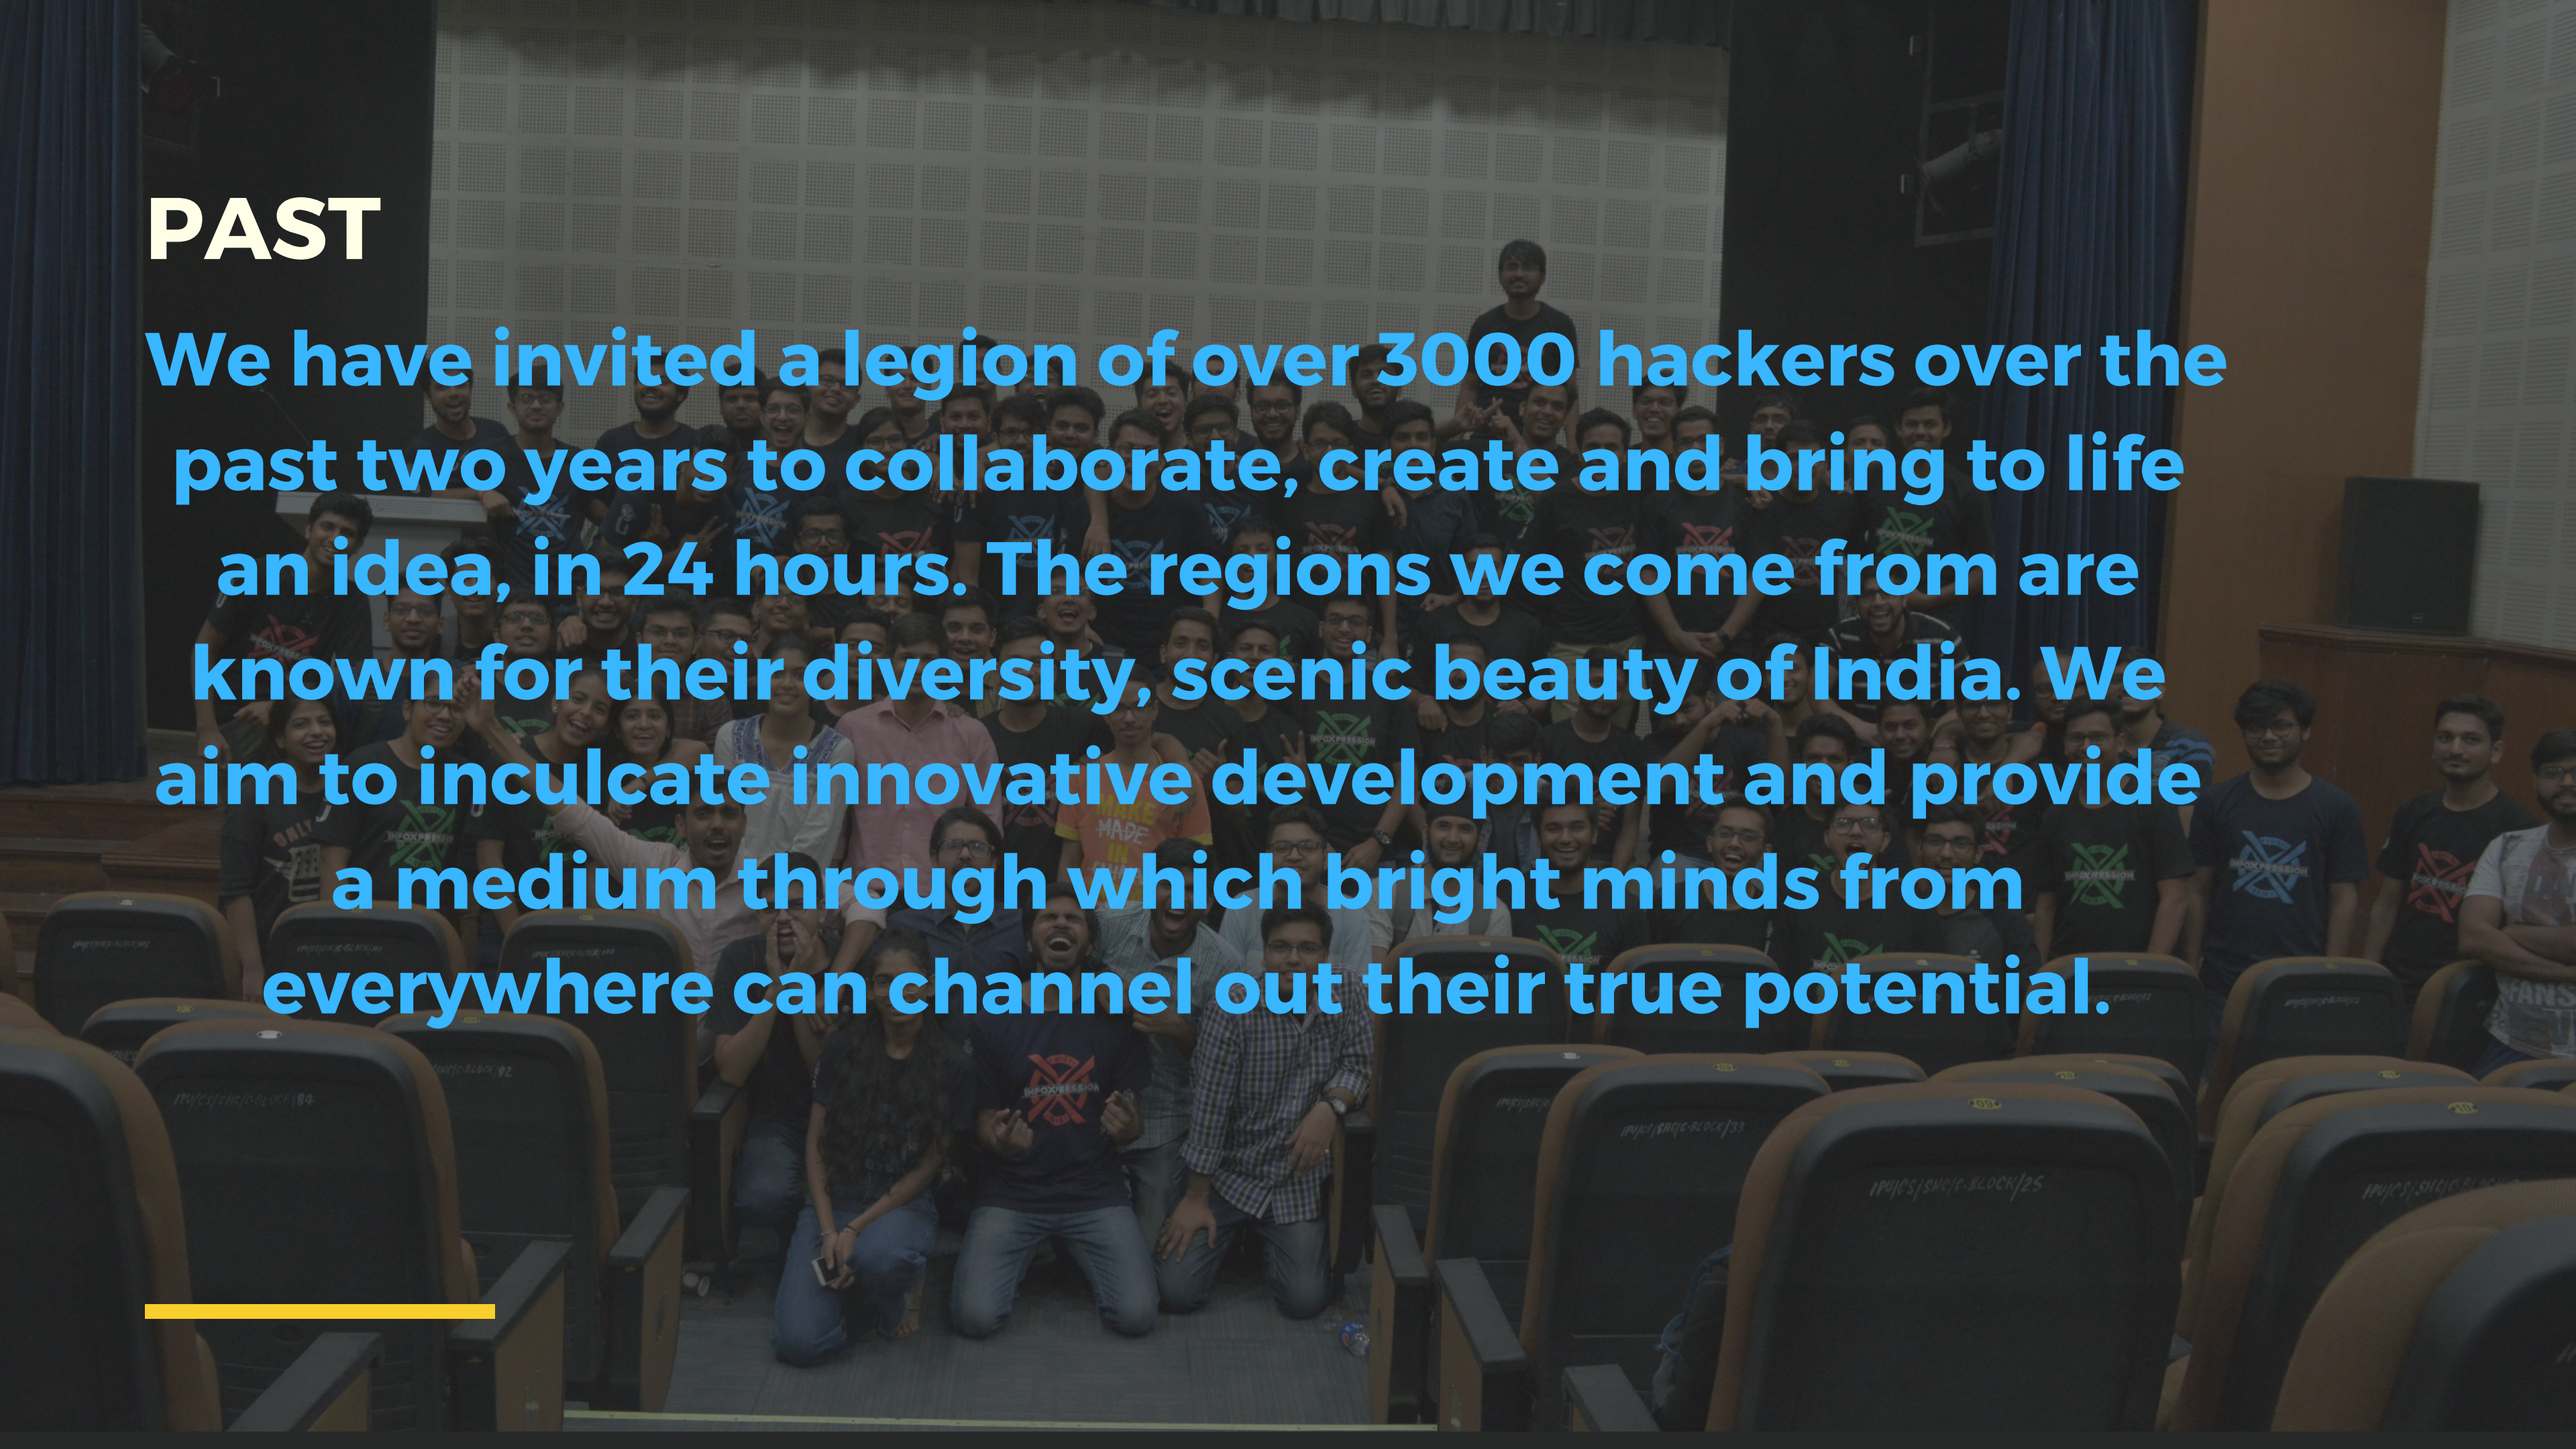
HackDELHI

3rd Edition of India's Largest Hackathon
(Previously known as U-Hack)

hackdelhi.in

91 Springboard , Nodia Sector -1 , UP , India





PAST

We have invited a legion of over 3000 hackers over the past two years to collaborate, create and bring to life an idea, in 24 hours. The regions we come from are known for their diversity, scenic beauty of India. We aim to inculcate innovative development and provide a medium through which bright minds from everywhere can channel out their true potential.

Turning Ideas into Reality
300 Particpants
24 Hours
3 Winners

BEFORE HACKATHON

- 2000+ Registrations.
- 300+ Teams Registration.
- Social Media Promotion of your Brand over FB, Instagram , Twitter and offline.
- Pre Hackathon Meetups to promote your Brand in India.

Celebrating Diversity

- At Hack Delhi, we create an environment that brings developers together irrespective of their gender, race, sexual orientation, socioeconomic background or ethnicity.
- Ever since its inception, over the years, we have strived to make sure that women get a chance to showcase their experience with all fairness.
- Hack Delhi 2.0 had a direct entry to any and all girls' teams and individual entries. The best performing girls' team received special prizes and swags In Hack Delhi 3.0, We took it a step further and reserved 30% of the seats for female participants.

- 33% of the spots reserved for team with female members
- Special prizes and goodies for all women teams
- Theme to implement technology in Women Empowerment/ Safety
